## ADMISSION TO THE UNIVERSITY COL- LEGE

The university college is open to both Ethiopian and international students. As Ethiopian candidates have to meet the admission requisite of the Ministry of Education, they must send to us a copy of their result on the Higher Education Entrance Certificate Examination or its equivalent.

International candidates may apply for the regular program or for an internship or for a study abroad program of their institutions. Their admission to the regular program shall be final after establishing the equivalency of their credentials to the standard set for college admission in Ethiopia. We will advise international students on getting the equivalency of their credentials. A study abroad or an internship program shall be in effect following a prior agreement with Hope University College. International students can rent our fully furnished and equipped dormitory.

An application form can be downloaded from our website or picked up from either our main campus in Lebu or our down town office on Churchill Road. Completed applications can be returned in person or mailed or emailed with two passport size color photos, a copy of last school's or college's transcript to the Office of the Registrar.

## FEES

The cost of tuition per year per student in the regular program is Birr 100.00 per credit hour for Ethiopian students and USD 50.00 per credit hour or its equivalent in Birr for international students. The payment plan of study abroad or internship programs of international students is arranged with their institutions. The charges for dormitory rooms can be gathered by calling the main office. There may be minor fees like Internet fee and bus fee. All fees are subject to revision every one or two years. Needy but bright candidates will be admitted to the university college free of charge provided that there is funding by way of sponsorship. In some cases work study opportunities may open up.

## STUDENT LIFE

A strong student development philosophy will be pursued challenging the student to a level of intellectual, personality and character development that can add value to him or her and indirectly to society. Wholesome and positive recreational programs shall be planned and launched. There shall be athletic activities on a continuous basis. There are a number of services a student can take advantage of. We have a bus service running from downtown to campus in the morning and late in the afternoon.

# HOPE UNIVERSITY COLLEGE

DEVELOPING  
LEADERSHIP  
FOR A  
WORLD  
OF HOPE

# INTRODUCING HOPE UNIVER- SITY COLLEGE

Hope University College, founded by Dr. Minas Hiruy in 2003 as a not-for-profit private institution, is established on five hectares of land in Addis Ababa, Ethiopia's capital and the seat of the African Union, with funding by Hope Enterprises of Ethiopia and various donors in the Netherlands, the UK and the US. Designed as an integrated college by a Dutch firm, Geluk en Treurniet Architecten, and built with all the equipping and furnishing befitting an international standard, the university college offers excellent opportunities for learning with a difference. The faculty is selected from within country and abroad and classes are held in small settings.

The university college avails ample learning materials and online resources built as a digital campus. With an emphasis on intellectual and character development, the university college is set to cultivate leadership qualities for a better world.

Thus, for those wishing to become accomplished scholars and professionals, Hope University College is certainly the right choice.

## WHAT STUDENTS CAN EXPECT FROM HOPE UNIVERSITY COLLEGE

### ACADEMIC PROGRAMS

The university college offers a Bachelor of Arts degree in accounting and finance, entrepreneurship and management and marketing management and a Bachelor of Science degree in information technology and information systems. The programs of the Bachelor of Arts take three years of 110 credit hours while those of the Bachelor of Science take four years of 142 credit hours. The academic programs have been framed after a thorough analysis of offerings from Ethiopia, the US and Europe. In due course, the university college will have additional degree programs including graduate studies. The university college applies competency based training, enabling the mastery of concepts, applicable skills, proficiency at work and personal development in a student centered teaching. Considering the quality of our academic programs, faculty, operating norms and facilities, we are accredited by the Education and Training Quality Assurance Agency (ETQAA) of the Federal Democratic Republic of Ethiopia.

In all programs, ample reading and research and application of knowledge within actual work settings and community service are required. As the aim of the university college is to develop leaders, all teaching will be offered with an emphasis on desirable virtues and attitudes using one-to-one mentoring and role models.
